Missing Reported Year

Sex

Female

Male
The trend of sum of Ncmeccasenumber for Missingreporteddate Year broken down by Sex. The marks are labeled by Missingreporteddate Year.

Type of case vs sex

Birthdate Year for each Casetype. Color shows details about Sex. The view is filtered on Casetype, which keeps Endangered Runaway, Family Abduction, Lost Injured Missing and Non Family Abduction.

# Ethnic Disparities in Missing Children
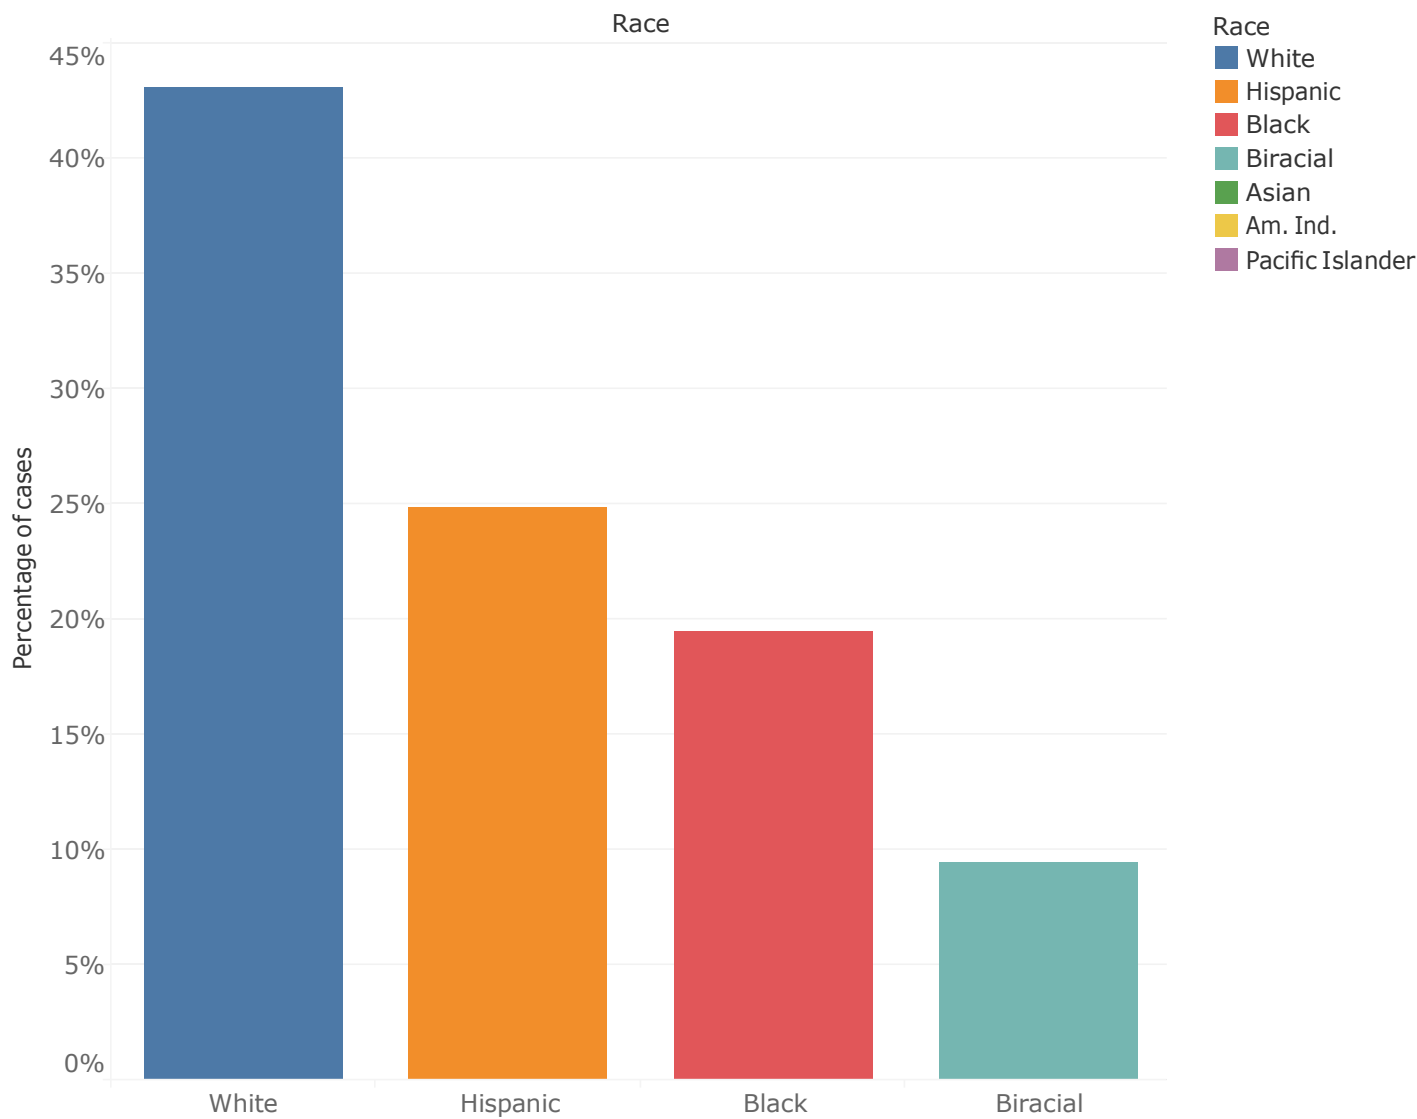

Race

% of Total Count of Childid for each Race. Color shows details about Race.

Ethnic Disparities in Missing Children
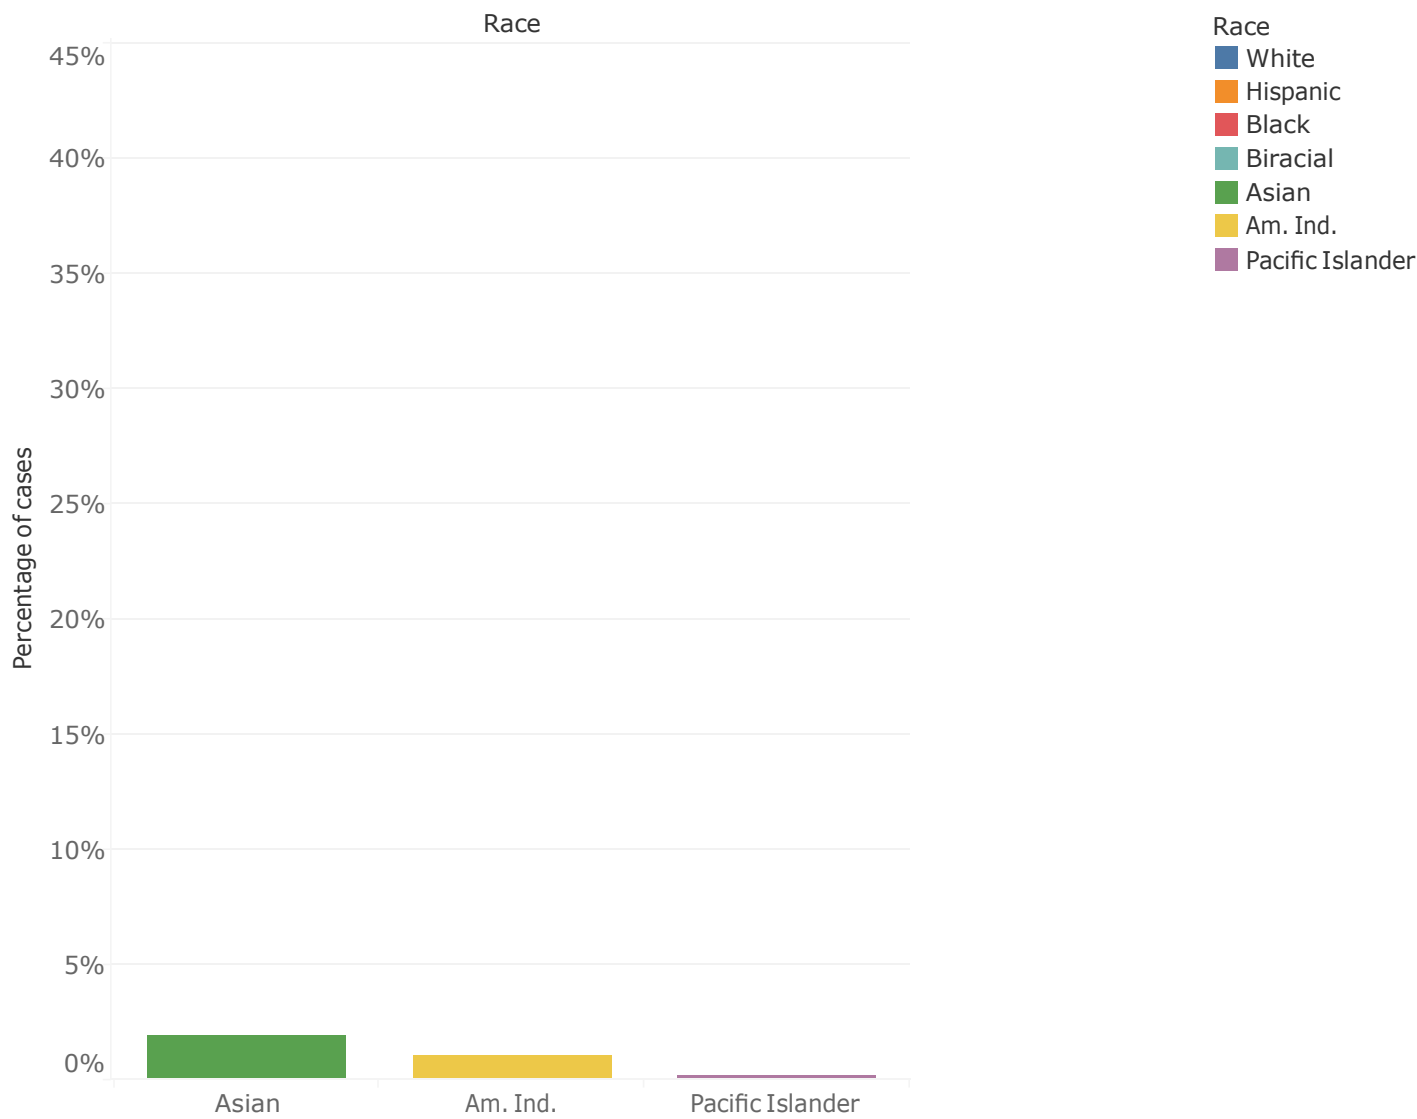

Race

% of Total Count of Childid for each Race. Color shows details about Race.

Missing From City

Sum of Ncmeccasenumber for each Missingfromcity. Color shows details about Sex. The marks are labeled by Sex. The view is filtered on Missingfromcity, which has multiple members selected.

Missing From City

Sex
- Female
- Male

Sum of Ncmeccasenumber for each Missingfromcity. Color shows details about Sex. The marks are labeled by Sex. The view is filtered on Missingfromcity, which has multiple members selected.
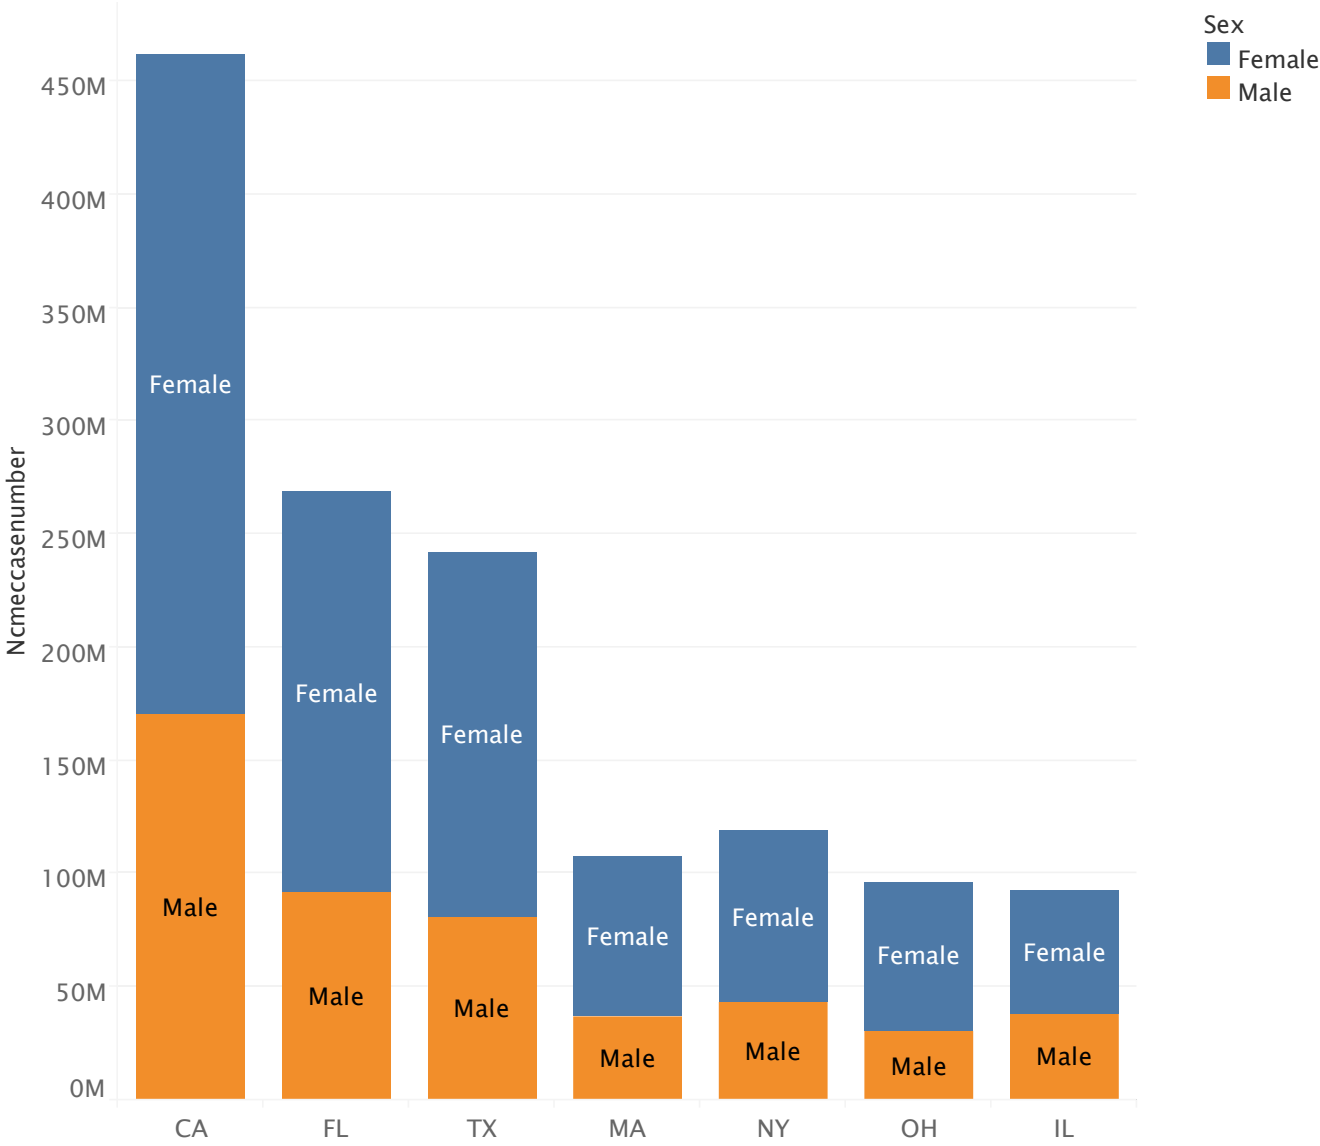

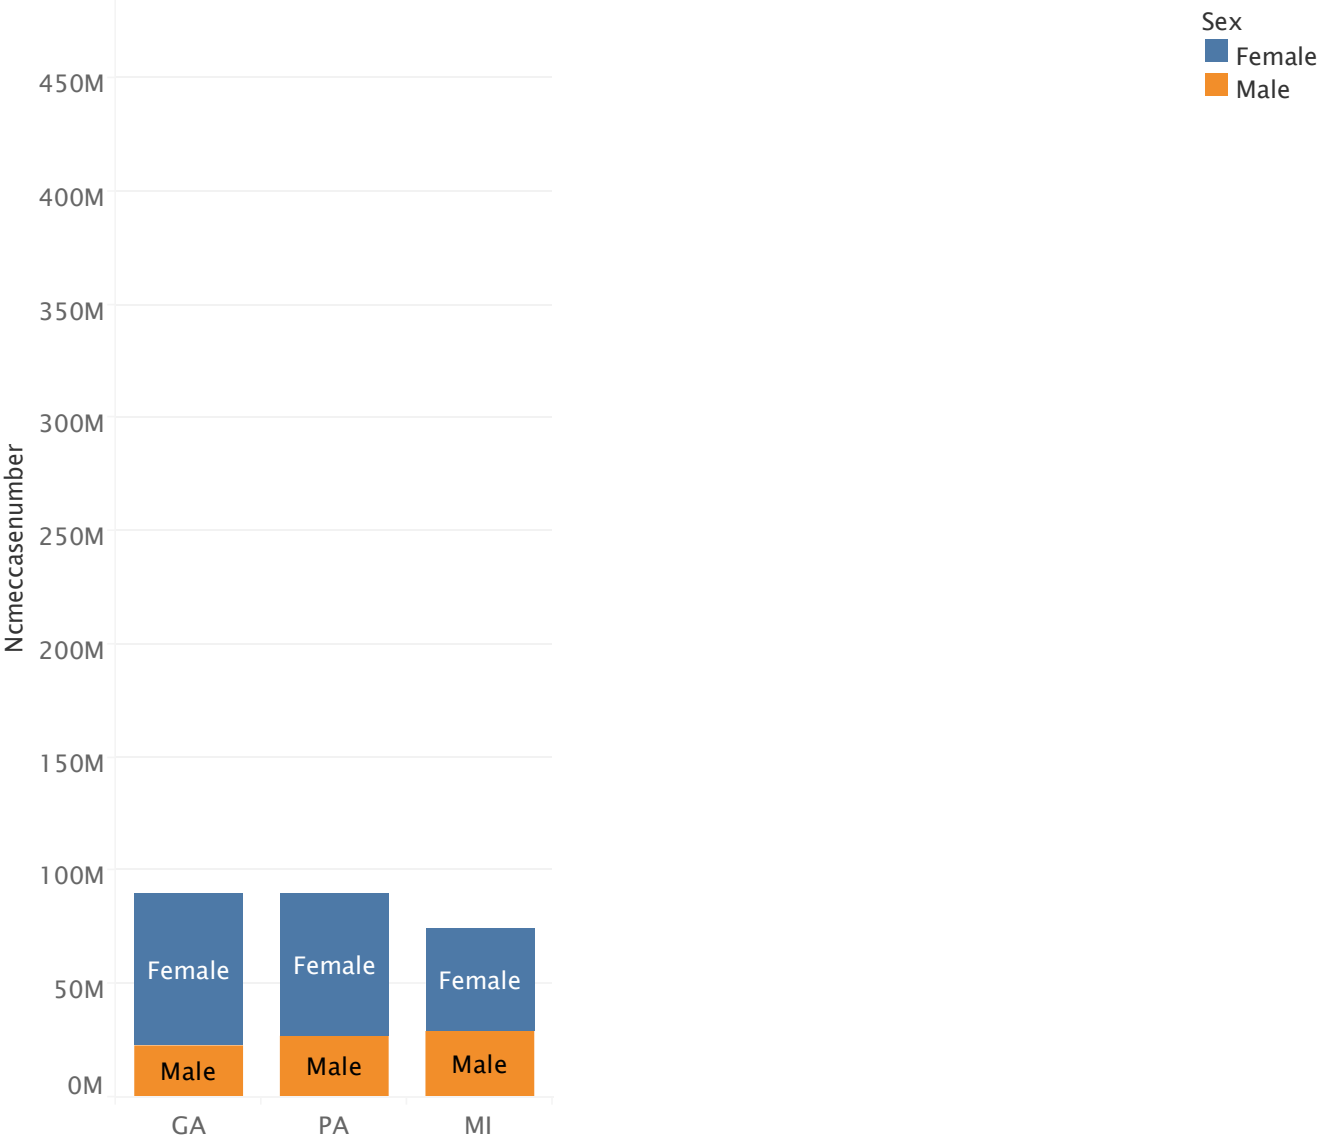

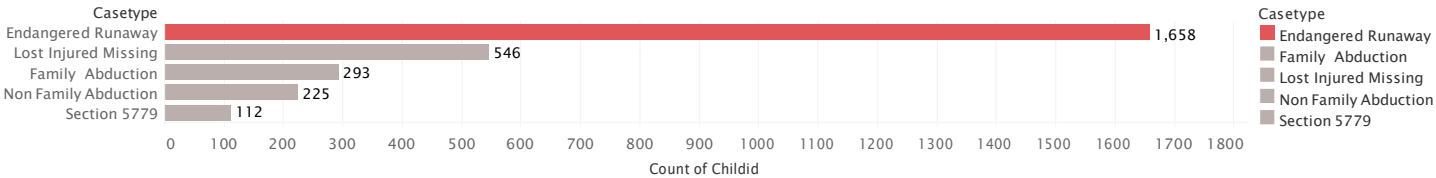

Missing From State

Sum of Ncmeccasenumber for each Missingfromstate. Color shows details about Sex. The marks are labeled by Sex. The view is filtered on Missingfromstate, which keeps 10 of 53 members.
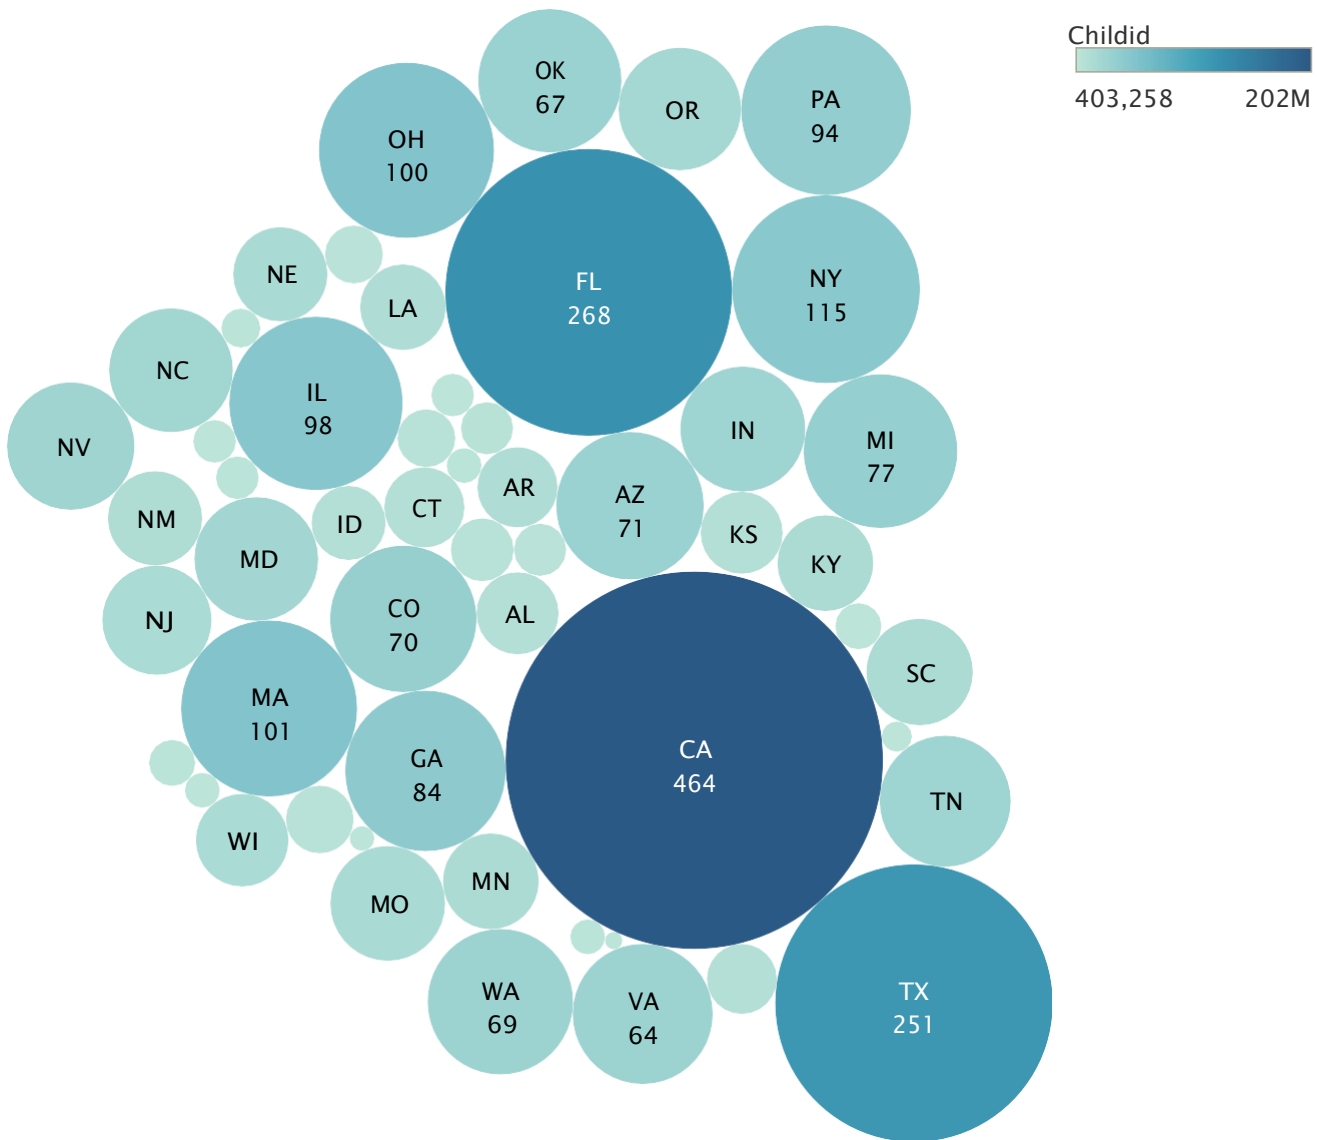

Missing From State

Sum of Ncmeccasenumber for each Missingfromstate. Color shows details about Sex. The marks are labeled by Sex. The view is filtered on Missingfromstate, which keeps 10 of 53 members.

Casetype

Casetype	Count of Childid
Endangered Runaway	1,658
Lost Injured Missing	546
Family Abduction	293
Non Family Abduction	225
Section 5779	112

Casetype
- Endangered Runaway
- Family Abduction
- Lost Injured Missing
- Non Family Abduction
- Section 5779

Count of Childid for each Casetype. Color shows details about Casetype. The view is filtered on Casetype, which keeps Endangered Runaway, Family Abduction, Lost Injured Missing, Non Family Abduction and Section 5779.

Highest number of cases

Missingfromstate and count of Childid. Color shows sum of Childid. Size shows count of Childid. The marks are labeled by Missingfromstate and count of Childid.

Average height and weight of kid missing
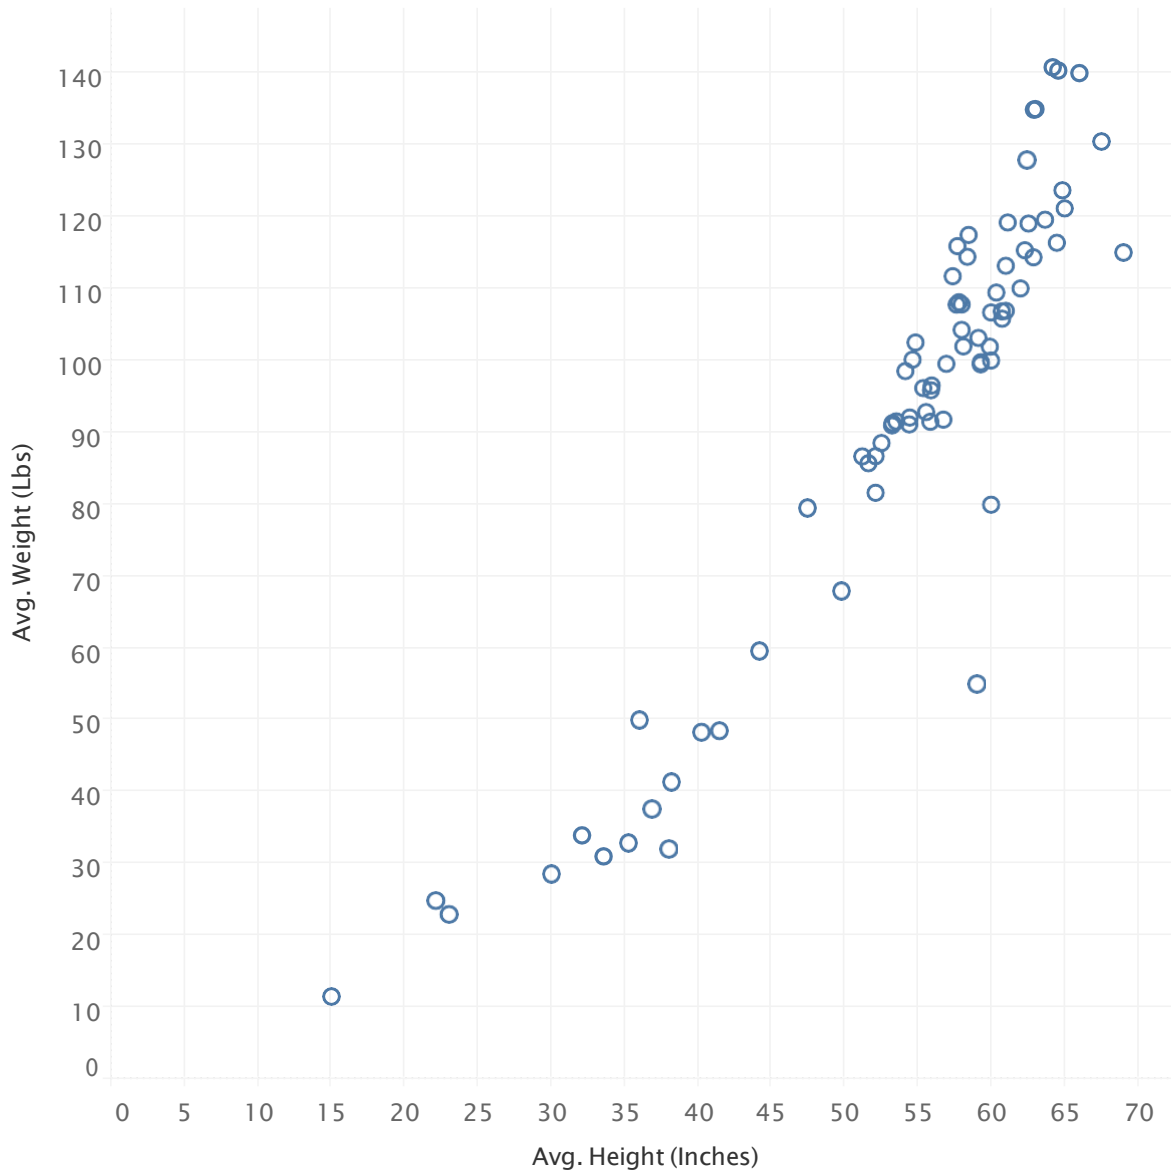

Average of Height (Inches) vs. average of Weight (Lbs). Details are shown for Birthdate Year.
